

CSR ACTIVITIES

Heranba Industries Limited today fulfils this obligation by continuously being involved in sustainable business which touches the life and livelihoods of thousands of Farmers and their Families.

Along the way, Heranba is also closely associated with NGOs which operates by touching upon some basic but most necessary needs such as HEALTH CARE to ultimately address fundamental ethical issues such as inclusion, dignity and equality.

Heranba's CSR Initiatives:

- CORRECTIVE SURGERY - CLEFT LIP / CLEFT PALATE

It is estimated that 1 child in 700 live births is born with a cleft lip or a cleft palate or both, which means that 35,000 to 40,000 children are born with a cleft deformity every year in our country. Heranba in the year 2016, associated with an NGO "MISSION SMILE" who was entrusted to conduct a corrective surgery for 50 such patients at Vapi, Gujrat. With the help of this activity, Heranba intended to change their lives and make them contributing constructive members of the community.
